Financial Peace University

Eric Martin

Dave Ramsey takes a radical approach to dealing with personal finances in today's world of easy credit and spending to keep up with the Joneses. This nine-week program is very practical and helps people dump debt, get control of their spending, and learn new behaviors about money that are founded on commitment and accountability. Married couples are encouraged to take the class together. The first 8 that sign up will get \$19 off the enrollment kits. Those kits are \$90. The normal price is \$109. Sign up in the foyer on Sundays. Please note this class will run from 6:30-8 p.m. Please contact Eric Martin for more information. Class will meet January 9-March 6.

As a standard practice, if anyone is needing financial support for the classes being offered, please see a pastor or staff member. We would provide assistance to you as needed.

7:00 - 8:00 p.m.

Evangelism and the Sovereignty of God,
by J.I. Packer

Caleb Duffy

If God is in control of everything, can Christians sit back and not bother to evangelize? Or does active evangelism imply that God is not really sovereign at all? Packer shows how both of these attitudes are false. In a careful review of biblical evidence, he shows how a right understanding of God's sovereignty is not so much a barrier to evangelism, but an incentive and powerful support for it. Cost: \$10 -\$15
