~ Old Pictures Wanted ~

Willie Miller is looking for pictures of the Yellow Creek Mennonite Church buildings. He is especially interested in photographs that were taken prior to the 1950 and 1970 additions. This includes the old cabin and horse sheds or tent storage building. The older the better. This is for the 175th Anniversary celebration that is planned for 2020. He also has ways of correcting damaged pictures so don't worry if there is damage on the picture. He will return the original picture to you.
