~ Thank You! ~

"I just want to thank the church family for their thoughts, prayers and cards after my slip 'n fall and subsequent surgeries. I was so calm going into both surgeries I just knew people were praying. I am healing and started on the rehab path to get my ankle to bend again. They tell me it's going to be 9-12 months before I'm done. So that being said...don't stop praying yet, just pray for patience, as I want to walk NOW."
