~ Special Building Fund Offering ~

The Finance Committee presented a plan for paying off our mortgage in May of 2019. A special offering will be taken Sunday, November 21, for this purpose. There are different ways you can make your offering count beside through the Sunday morning offering: mail to the church office, bring it to the church office during regular office hours or give electronically. The Finance Committee is asking you to pray about how your family can be a generous giver and help us (the church) meet our giving goals.
