The Engagement Project Doug Gerber

The Engagement Project is a small group video curriculum to look at the call to the body of Christ to awaken and begin to be the light and salt we were meant to be. Accompanying the Truth Project, which focused on the question: "Why did Jesus come down to earth," The Engagement Project focuses on the questions: "Why did Jesus leave? Why does God send? What is God's endgame for you and for me?" Each session will be spent viewing a 50-minute video by Dr. Del Tackett, followed by discussion, and sharing of insight of the material presented. "By this is my Father glorified, that you bear much fruit." (John 15:8)

7:00 - 8:00 p.m.

Sermon Discussion Mike Metzler

We invite anyone to sharing and discussion of the previous week's sermon. How did the sermon speak to, challenge, and encourage you? What truths can we apply to our lives? We will look into the main scriptures read and additional scriptures referenced within the sermon. Come and be blessed and bless others within the discussion and fellowship.
