~ Lighthouse Stream Event ~

Have you struggled to understand the decline of Christianity in the United States over the last 40 years? Join us for the latest Lighthouse Voices discussion with JP DeGance, founder and president of Communio, an organization committed to equipping churches for Christ-centered renewal of healthy relationships, marriages, and families. Through his work, he has seen how the church affects the family, and the family affects the church. Lighthouse Voices events are sponsored by Focus on the Family. We will join via livestream on Tuesday, May 23, 7 p.m. in the Fellowship Hall. All are welcome to come and join the lecture and discussion.
