Rooms 4 & 5

We will be working on tying comforters for Mennonite Central Committee. Please come and fellowship with us while we work together to benefit others. If you have never knotted comforters before, come and we will gladly teach you as we work together.

7:00 - 8:00 p.m.

The Parables of Jesus
Doug Gerber

Throughout the Synoptic Gospels of Matthew, Mark, and Luke, we find the parables of Jesus. Poignant stories told from which to learn an enduring message from God. Come discuss and discern how God is calling us to respond for His glory and His Kingdom.

A Discipleship Centered Church
Wes Bontreger

What is the difference between being a disciple and making a disciple? Is everyone called to make disciples? How can the church call people to faith but not prepare and equip them to be a disciple? This class will lay a foundation for congregational discipleship. It is a training format with daily tasks to guide the learning. It will also challenge us to be a community of believers with a culture of *“calling and preparing everyone to be fully committed followers of Jesus Christ”*.
