## ~ Church Bus Replacement ~

**The Finance Committee** has established a Church Bus Replacement Fund based on the need to have safe and dependable transportation for church activities. Those activities include transportation for our seniors, youth trips, MDS trips, and other events. As an update to the brief report during our most recent congregational meeting, the committee working on the replacement of our two current buses with a single bus is following up on an opportunity to purchase a low-mileage vehicle. We ask that you prayerfully consider a contribution designated to the **Church Bus Replacement Fund**.

**Our mission is to call and prepare everyone to be fully committed followers of Jesus Christ.**
